SERVICEABILITY REQUESTS (SIFT TICKETS)

When the system returns the address as "NOT serviceable", but you think it should be:

1. Request a SIFT from the call center rep.
2. SIFTs take 72 hours to process. Team checks results daily. If serviceable, they contact customer and complete your order.

TPV (Third Party Verification) required for porting phone number from previous carrier.

Customers call: 1-877-677-9067 - use this ONLY for TPV.

Customer Contact numbers AFTER you have placed an order
